

# Capability Statement

CCP Manufacturing is women-owned small business (WOSB) offering superior customer service and quality sewn products since its establishment in 1965. Our products are used in Industrial, medical, athletic, military and the transportation industries both locally and nationwide. We pride ourselves in helping our clients with manufacturing single prototype products to full run production and fulfillment. Our team of highly experienced designers, craftsman and textile experts can help you with automated manufacturing for efficient, repeatable products delivered on time within budget.
